Our fee for the services of funeral director and staff includes, but is not limited to, staff response to the initial request for service; arrangement conference with family or responsible party; arrangement of funeral; preparation and filing of necessary local authorizations and permits; recording vital statistics; staff assistance prior to, during, and following the funeral, including cemetery, crematory, and others. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance, and utility expenses; clerical and administrative costs; and equipment and inventory expenses. This fee for our basic service and overhead will be added to the total cost of the funeral arrangements you select, and is included in our charges for cremation, immediate burials, forwarding and receiving remains, and our funeral packages.
